Bingo + Trivia

Ages 8+

JOLLY PARTY GAMES

- 1 Print at 'Actual size' (100%, no scaling) so every page fits as designed.
- 2 Print the answer key pages for the host only, and keep them out of players' sight until the game ends.
- 3 Cut the word tiles apart along the dashed lines. Index cards work well too.
- 4 Give each player or team a pen, and use dark markers for the bingo cards so the squares stay easy to read.

WHAT IS IN THIS SAMPLE

- ☐ **Christmas Bingo:** rules, 4 bingo cards, caller's checklist and word tiles (pages 3–7)
- ☐ **Christmas Trivia:** rules, 10 questions, team answer sheets (pages 8–10) and the answer key (page 11)

PRINTER SETTINGS

- Paper size: **US Letter** (8.5 × 11 in).
- Scale: **Actual size / 100%** (not "Fit to page").
- Color is nice, but black and white works too. The pages use very little ink.
- Print the card pages on heavier paper if you can, then cut along the dashed lines.

PLAY IT NOW

Print this sample, cut out the word tiles, and you are ready for a round of Christmas Bingo followed by Christmas Trivia. The answer key is for the host only.

Christmas Bingo

PLAYERS **6–40**TIME **15–20 min**LEVEL **Easy**

YOU WILL NEED

- ☐ Bingo cards (one per player)
- ☐ Word tiles (cut apart) in a bag or bowl
- ☐ Dark markers, pens or small tokens for marking squares
- ☐ The caller's checklist

HOW TO PLAY

- 1 Give every player a bingo card and a marker. The center square is a free space.
- 2 Draw one word tile from the bag, read it aloud, and check it off on the caller's checklist.
- 3 Players mark the word on their card if it appears there.
- 4 The first player to mark a full row, column or diagonal shouts 'Bingo!'.
- 5 Check the winning card together by reading each marked word aloud and comparing it with the checklist.
- 6 Put all the tiles back, hand out fresh cards, and play a second round. This time the winner is the first to cover the whole card (blackout).

HOST TIPS

- Shake the bag well before each draw so the words come out in a surprising order.
- Give small prizes such as candy or a pack of cookies to the winners.
- This sample includes 4 different cards. For a bigger group, play in teams of 2–3 per card; the full bundle has 30 different cards.
- A first round usually takes 10–15 minutes; the blackout round takes a little longer.

SCORING

Each round has one winner. Round 1: the first full row, column or diagonal wins a prize.
Round 2: the first full card (blackout) wins the grand prize.

Christmas Trivia

PLAYERS **Teams of 3–5 (or solo)**

TIME **20–30 min**

LEVEL **Medium**

YOU WILL NEED

- ☐ Host question pages (read the questions aloud)
- ☐ Pens
- ☐ Team answer sheets (one per team)
- ☐ A whiteboard or paper for the scoreboard

HOW TO PLAY

- 1 Split players into teams of 3 to 5 (or play solo). Give each team a pen and one answer sheet.
